To whom it may concern

### Statement of PIC seat, structural integrity

This is to certify that the PIC seat in the Virus SW 80/100 can be either seat. There are no ergonomic or piloting limitations for PIC to be either in the left or in the right seat.

The structure of each Virus SW 80/100 is designed and tested to 600 kg at +4G – 2G operating load envelope.

Best regards,
